

## ***2024 Pure Stock Tire Specifications***

Tire Specifications for the 2024 season for Pure Stocks at Golden Sands Speedway:

**TIRE BANK:** All Pure Stock competitors will establish a tire bank of up to 6 tires on their first night of racing. Each Pure Stock competitor will be allowed to add 1/3 tire to their bank for each completed night of racing. Tire Cards will be filled out and tires will be marked to GSS standards. Tire bank data will be public. New cars arriving after the 3rd completed points race for that class, **MUST** run two used tires (less than 4/32 tread depth) or start at the back of all events.

### **1. TIRES**

Approved tire: Am Racer AR870 (sold at the track). Chemical treatment of tires (softening) is not permitted and if found guilty will result in the disqualification from the event and loss of prize money and points. Drivers guilty of altering and/or chemical treatment of tires will also be suspended for the next night of racing. If a driver is found altering and/or chemical treatment of tires on the last night of competition, he/she will be disqualified for that night of points and prize money and deducted of all points from the previous night of competition.
